## Take A Look At The World About You

We now have some answers about God and His attributes. Let us see what we can discover about man and his position in the degrees of creation.

Start from the bottom

Above this – we see – rational life

Above this - we see – sense life (animal)

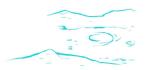

Above this we see – vegetative life (plant)

At the bottom – we see – lifeless matter

Now the question arises (for some) – Is there any real

## Difference between

and this?
